	Messages						
	The UK should guard against aggressive forms of secularism	The Church is ashamed, and will make reparations for, the immense suffering of the innocent victims of child sexual abuse at the hands of priests	There is place for God, religion and virtue in public life	Religious people should not be forced to keep their beliefs to themselves in the name of political correctness	Children should beware of modeling themselves on sports or entertainment stars	People look for happiness in the wrong places such as seeking fame or fortune - true happiness is to be found in God	Schools should go beyond the narrow academic curriculum and teach religion and morals
